### Application Process

1. If you think you may be eligible for FEMA Public Assistance funding, review CalOES’ materials from a virtual applicant briefing [here](http://www.sfcontroller.org/sfresponds).

2. FEMA is processing all request for grants through the FEMA Grants Portal. To request access and create an account, please see guidance [here](http://www.sfcontroller.org/sfresponds).

3. Review FEMA’s streamlined project application process [here](http://www.sfcontroller.org/sfresponds).

4. To further review eligibility, please see FEMA Public Assistance Policy Guide [here](http://www.sfcontroller.org/sfresponds).

**Please note:** Public Assistance is subject to cost share. FEMA is currently reimbursing up to 75 percent of eligible costs. The applicant will be responsible for the remaining 25 percent.
