

AOSD User Flash #284: Citywide Accounting Policies & Procedures – May 2018 Update

The May 2018 version of the ***Citywide Accounting Policies & Procedures*** has been uploaded to the Controller's Office **intranet** page, located at <http://famis.sfgov.org/controllerspolicies>. Also [attached](#) is a summary of updates from the previously uploaded version (September 2017).

Note that there are still significant changes planned for the next release, including updates to Debt, Asset Management, and more. As we wrap up the first year in our new financial system, we welcome and thank you for your continual feedback; it is pivotal in ensuring accurate and timely updates.

If you have any questions, concerns, or suggestions, please contact your fund accountant directly. Thank you.
