

AOSD User Flash #306: FAMIS Log In Instructions – Updated November 3, 2019

Please be aware that the Department of Technology (DTIS) has transitioned from its previous ACF2 Security System, which has been in use for over 20 years, to a new RACF Security System.

The upgrade has a direct impact on logging into FAMIS online. An updated guide has been attached ([click here](#)) for your reference.

If you have any questions or concerns about the switch from ACF2 to RACF, please contact the DTIS Help Desk at 628-652-5000.
