Hi Everyone,

This is to notify you that the FAMIS archive region (NFAMISC) will be unavailable
Wednesday 5/4/2011 through Thursday 5/5/2011. During that period, the Controller's
Office will be running a test of the index code recast.

Effective Friday 5/6/2011, you may again use the NFAMISC Archive region. As a
reminder, to use the archive region, type NFAMISC at the logo screen, press ENTER,
and use your regular FAMIS login ID and password to research FAMIS Accounting data
from FY1995-FY2007.

If you have any questions, please call Connie Chu at (415) 554-5246.

Please forward this message to all FAMIS users in your department.
